TEN DAYS ABLAZE

Hello Everyone,

Have you ever felt like you needed a fresh start on life and faith ? I can think of no better way than to enjoy some vacation time ministering to the Lord. Often our vacations are spent busy seeing this thing or going to that place. As fun as that is, we can sometimes come home exhausted and not truly rested. What would happen if we got a glimpse of the face of God shining on us. I know we would be changed. Paul wrote to the Corinthian church saying that as we behold Jesus we are changed from glory to glory. True abiding rest and refreshing comes from the presence of the Lord. As we spend time in His presence as a corporate body of believers the Lord places a special blessing on it. This is not to say that His presence is not with us or in us always at other times, but as we come together as a church family, the Father is pleased. He loves to envelope us as a corporate Body. He pours out what we call the corporate anointing. If two or three are gathered in His name He is there in the midst of them. I have been in some beautiful places in prayer on an individual basis. However, there is something so unique and powerful about a company of believers in one heart and one mind joined to seek the Lord. So come on out and join us. Write your prayer goals out before you come. We will all agree for powerful breakthroughs in our lives. Remember the magnitude of our breakthroughs will be according to the depth of our gratitude.

God bless you,

Love Pastor John and Laurie Curcio
